Client Ref: GV266

For: **METHOD AND SYSTEM FOR REDUCING INTERFERENCES DUE TO  
HANDSHAKE TONES**

**NOTICE REGARDING LEGAL REPRESENTATIVE'S INFORMATION**

At the time of the initial filing of this application, one of the co-inventors (Peter Kleewein) was deceased, and the declaration was signed on his behalf by Wolfgang Kleewein (Peter Kleewein's brother), who was acting as the inventor's legal representative. No objection was made to the declaration at that time.

After the issue fee for this application was paid, Examiner Odom contacted Applicants' representative and indicated that certain information was missing from the executed declaration. Specifically, the citizenship, residence, and mailing address of the legal representative, Wolfgang Kleewein, was inadvertently omitted in the original declaration. That missing information for Wolfgang Kleewein is provided below:

Given Name: Wolfgang                      Family Name or Surname: Kleewein  
Citizenship: Austria  
Residence: Vienna, Austria  
Mailing Address: 1030 Wien (Vienna), Arsenal, Objekt 12/45, Austria

As the omitted information relates to only identifying information of the legal representation, and since that information has been provided above, it is not believed

that a supplemental declaration is required to be re-executed. The undersigned does note, however, that diligent efforts have been made to contact Mr. Wolfgang Kleewein (who is now believed to reside in Austria) and have him execute a supplemental declaration. However, despite diligent efforts to reach Mr. Kleewein, Applicants have been unable to obtain Mr. Kleewein's signature. If the Patent Office deems this submission to be insufficient, Applicants request that Examiner Odom contact the Applicants as soon as possible. If necessary, Applicants will then submit a Petition to File on Behalf of Inventor Who Refuses to Sign or Cannot be Reached Pursuant to 37 CFR 1.47.

Respectfully submitted,

/Jeffrey Hsu/
